

DOUGHERTY VALLEY HIGH SCHOOL ATHLETIC DEPARTMENT

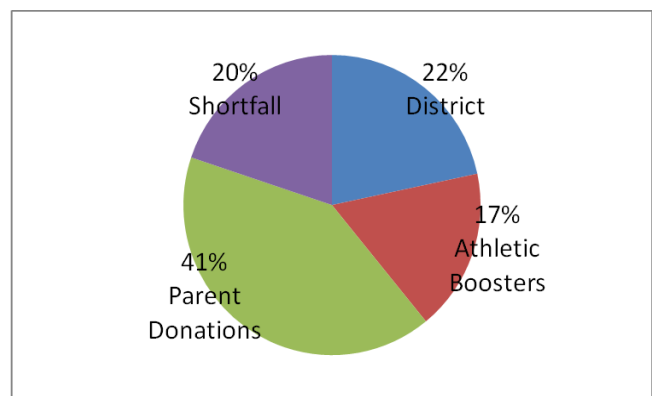

DVHS PARENT SPORTS CONTRIBUTIONS

San Ramon Valley Unified School District (SRVUSD) is unique compared to other school districts because our district only funds the head coaching positions for high school athletics. Parents contribute funds at each of our four comprehensive high schools to allow our students an opportunity to participate in athletics. For example, in order to fund the girls' volleyball program, we ask each volleyball parent to contribute \$275.00 per player. This money funds tournaments, referees, DFAL athletic league dues, equipment and other items needed to run a competitive program. DVHS Athletic Boosters also contributes funds to each of our teams for equipment maintenance and expenses. Below is a breakdown of the contribution percentages from the three groups over the last two years.

Athletic Contributions 2007-08

Athletic Contributions 2008-09

As you can see, as our sport programs grow here at DVHS, the parent donations become a more significant part of the funding. In 2008-09, we did not receive contributions for all of our athletes. Parent donations fell short approximately 20% and Athlete Booster funding was down approximately 16%. We hope this helps you understand how important your contributions are for our athletic teams. All athletic donations are tax-deductible and go directly to the program to create opportunities for your student.

We appreciate your support to help DVHS become as competitive athletically as we are scholastically.

Denise Hibbard
Principal

WINTER CONTRIBUTIONS

Please Make Checks Payable to: DVHS ATHLETICS (NAME OF SPORT)
Please print your students name on the memo of the check

Fall Sports	
Men's Basketball	\$335
Women's Basketball	\$335
